With your tax deductible contribution of \$50 or more, the Iron & Steel Museum of Alabama will reserve a personal commemorative brick paver in the walkway memorial under construction in front of the main museum building. Each brick measures 4" x 8" and will be a lasting tribute.

Corporate sponsorships are also available in the Adopt a Brick Program for \$500. Corporate bricks are large 8" x 8" pavers and will be randomly placed throughout the museum gardens to highlight the company's contribution.

A typical brick paver might read:
